Verification of South African Qualifications -
Gordon Leith Jooste Identity Number 9511075065083

The **South African Qualifications Authority (SAQA)** is a statutory body, regulated in terms of the *National Qualifications Framework Act No. 67 of 2008* and is mandated by legislation to oversee the development and implementation of the *National Qualifications Framework (NQF)*.

The verification of qualifications resides in the overarching quality assurance role that SAQA performs.

It is a strategic imperative of the organisation to support and direct the national and international mobility of lifelong learners, including workers, by facilitating the recognition of their learning achievements.

SAQA is pleased to perform this verification, via its National Learners' Records Database.

The verification results are as follows:

Qualification	NQF Level	Institution	Year	Found
Bachelor of Science Honours in Computer Science	Level 08	University of the Western Cape	2019	Yes

The achievement of this qualification is thus confirmed.

We look forward to being of further service to you in future.

Yours sincerely

Phumzile Mtsweni
Manager: Verifications
Directorate: Authentication Services

SAQA'S MISSION

To oversee the further development and implementation of the *National Qualifications Framework (NQF)* and advance its objectives, which contribute to the full development of each lifelong learner and to the social and economic development of the nation at large.
